Airidas Paulauskas

Motion designer & video editor

Looking for an internship · Feb – Jul 2027 (20 weeks)

Motion design, video editing, videography / DOP or sound design.

PROFILE

I edit to tell a story in seconds. Three years of video editing and six months of motion graphics, self-taught in DaVinci Resolve and Fusion. I run an Instagram page where I teach other DaVinci users how to build effects, and I'm ready to learn After Effects alongside a team that sets a high bar.

EXPERIENCE

- Short-form video editor** 6 months
[7 Eurolygos dienos · Lithuanian basketball podcast](#)
 - Turned full podcast episodes into Instagram reels built around the strongest moments
 - B-roll cutaways from games and press moments, word-by-word animated subtitles
 - Sponsor branding built into every reel
- Freelance motion designer & video editor** 2025 – present
[Self-employed](#)
 - A Spotify promo, plus promo videos for the apps Predi AI, Paybank, Nomly and Footdash
 - Concept, motion design, edit and sound design from start to finish
- Creator & DaVinci educator** ongoing
[@airidas_creates · Instagram](#)
 - Share my work and teach other editors how to build effects in Resolve and Fusion

EDUCATION

Communication & Multimedia Design (Bachelor) 09/2024 – present
[NHL Stenden University of Applied Sciences, Leeuwarden](#)
Third year. Completed the Film & Motion Design studio.
